District & School Profile

The Southern Kern Unified School District (SKUSD) is committed to excellence in TK-12 education. SKUSD serves the city of Rosamond, which is located in the Antelope Valley. SKUSD is home to a diverse community, with around 3,580 students. SKUSD consists of Rosamond High Early College Campus, Tropic Middle, Westpark Elementary, Rosamond Elementary, Abraham Lincoln Independent Study, and Rare Earth Alternative. SKUSD serves the academic, social, emotional, and physical needs of ALL students in a safe and secure learning environment. SKUSD's motto is "Maintaining Excellence".

Westpark Elementary School is a traditional K-5 school. Westpark Elementary has served the educational needs of students and has an excellent reputation in the community. Our staff recognizes the individual and academic needs, as well as the social differences and needs of each student. We believe that quality education is the result of a strong partnership between our school, students, and parents. Our staff provides a safe environment in which students can be academically challenged to meet their potential and prepare them for a productive future.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Southern Kern Unified School District held a public hearing on September 16, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Textbooks and Instructional Materials

Year and month in which data were collected: September 2020

School Facility Conditions and Planned Improvements (Most Recent Year)

Westpark Elementary School is comprised of 44 classrooms, a cafeteria/multipurpose room, library, staff lounge, computer lab, playground, and grass field/track. The facility strongly supports teaching and learning through its ample classroom and playground space.

Cleaning Process:

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or district office. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. Explicit schedules have been made for each custodian to ensure that all areas of the school are maintained.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	28	N/A	18	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

There are many opportunities for parental involvement. At the beginning of the school year, parents are invited to “Back to School Night” which provides an opportunity for parents to become familiar with their child’s school and teacher. Parent conferences are held each year at the end of the first quarter. Typically, parents are encouraged to be classroom volunteers and are also welcome to visit classrooms with advanced arrangements. Room parents offer teachers and students support. Currently, due to COVID-19, we are not allowing parents on campus in person. Committees such as our School Site Council, English Learners Advisory Council (ELAC), and the PTA are additional avenues for parental involvement. Our principal and assistant principal hold a monthly Wildcat Chat which is a monthly informational meeting that all parents, staff, and community members are invited to. Parents are able to learn about upcoming events and any questions that they may have during the Wildcat Chat. Teachers include parents by providing them information via a communication app. Blackboard messages, emails, and phone calls. Invitations go out for Student of the Month awards and each quarter for academic awards. There are many activities that occur at Westpark Elementary throughout the school year in which parent involvement and assistance are welcomed. During the 2020-2021 school year this is being done through virtual means. Parents receive a monthly school newsletter and have access to updated school information on our school's website. They can also find school information on our school's Twitter page. The district posts information about events at Westpark on the district's Facebook page. Blackboard parent communication messages are sent home regularly by our school's administration to inform parents of upcoming events and possible ways to participate. The Westpark Administration holds a Wildcat Chat one evening a month in which parents, staff, and community members are encouraged to attend in order to receive updates on Westpark and ask questions that they may have.

If you are interested in learning more about the opportunities for parent involvement at Westpark Elementary School, please contact Ms. Leslie Lacey, Principal at (661) 256-5030.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Westpark Elementary School's Comprehensive School Site Safety Plan was last revised by a team of school administrators, parents, and staff representatives in November 2020. The plan is to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members and parents have access to the plan and annually review the school site safety policies. Southern Kern Unified School District has established Standards of Excellence. Among these standards are: "The Southern Kern Unified School District will maintain safe, secure, and efficient campuses that promote positive attitudes, high morale, and an enriched learning/working environment" and "Facility and grounds cleanliness will meet district standards." Westpark Elementary meets these standards.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, and lock-down drills are held regularly, with one each month on a rotating basis. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available.

Students are supervised throughout the day by administrators, teachers, para-educators, and campus safety officers. There is a designated area for student drop-off and pick-up. Visitors register at the office and ID's are checked regularly. Guests on campus receive identification badges that must be displayed at all times. Our district approved volunteers wear a district volunteer badge while on campus. Westpark has security cameras throughout the campus.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.9	5.1	6.3	7.1	3.5	3.5
Expulsions	0.0	0.0	0.3	0.3	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.41	4.02	2.5
Expulsions	0.00	0.25	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	1	1	1

The Southern Kern Unified School District believes that staff development is an important component in maintaining a positive, enriching learning environment for students. The focus of staff development at the school site is based on the school's annual plan for Student Achievement. Staff members are encouraged to participate in workshops and/or conferences that provide them with the latest information and trends in their particular teaching areas. During the 2018-2019, 2019-2020, and 2020-2021 school year, our district offered and offers staff development for our staff multiple times during the school year within our district, as well as allowed staff members to attend outside training or conferences. Our new teachers were provided 5 days of training in August each year that included training on our district approved curriculum, Capturing Kids Hearts, school/district policies, Aeries grade book, and other essential training.

Types of Services Funded

In addition to general state funding, Southern Kern Unified School District receives state and federal funding for the following categorical funds and other support program:

- Title I
- Title II
- Title III

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
