# Rosamond High Early College Campus 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year) 

## DataQuest

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

The California School Dashboard (Dashboard)
https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

District \& School Profile
The Southern Kern Unified School District is comprised of two elementary schools, a middle school, a high school, independent study, and a continuation high school.

Rosamond High Early College Campus is a four-year comprehensive high school that is a member of the Western Association of Secondary Schools and Colleges (WASC). In October 2019, RHECC completed their WASC visit. We were granted a 6 year term with a mid- cycle review. On October 17-18, 2022, WASC completed a mid-cycle review. The school is in good standing for the remainder of the 6 -year cycle. Students, parents, and community believe that the primary role of RHECC is to serve the community by being the center of learning and growth. We provide the opportunity for every student to learn and achieve success in an environment that is safe, supportive, and conducive to learning. We work together to provide academic, artistic, athletic, and technical education so that our students will be well-rounded people, capable of making informed decisions. Student Learner Outcomes (SLO) referred to as the Roadrunner Way.

## District Vision Statement

We see to teach and assist in the development of the WHOLE CHILD. We strive to create a safe learning environment that combines Student Learning Outcomes with Creativity, Critical Thinking, Communication, Collaboration, Character, and Citizenship so that students will flourish in and out of school.

District Mission Statement
To provide our diverse student body with the best education possible and to instill in them a passion for life-long learning in partnership with our parents and community.

## RHECC Mission Statement

To provide our diverse student body with the best education possible and to instill in them a passion for life-long learning in partnership with our parents and our community.

## RHECC Vision Statement

RHECC will provide a positive learning environment for students to develop as moral, ethical, responsible, and compassionate citizens while developing as critical thinkers who seek continual knowledge. RHS will encourage technological proficiency and collaborative skills in order to enable its students to become self-motivated and involved citizens.

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Southern Kern Unified School District held a public hearing on September 9, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual laptops with e-books, standards-aligned textbooks, and instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school as of September 9, 2022.

## School Facility Conditions and Planned Improvements

Rosamond High Early College Campus is comprised of 60 classrooms, a College Center, Media Center, Student Center, a gym, a staff room, and workroom. The facility strongly supports teaching and learning through its ample classroom and ground space.

## Cleaning Process

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

## Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2021-22 Career Technical Education Programs

Rosamond High School Early College Campus instructional programs foster acquisition and growth of vital work readiness skills including critical thinking, problem-solving, communication, use of technology, interpersonal relationships, and civic responsibilities. Specialized programs for students are offered which integrate career learning and work readiness as follows:
Carl Perkins Vocational Education
California Technical Education- Incentive Grant
Agriculture Incentive Grant
Students have an opportunity to enroll in career technology courses which provide students with hands-on experiences connected to job skill applications.
Residential \& Commercial Construction

- Construction 1
- Construction 2

Machining \& Forming Technologies

- Manufacturing 1
- Manufacturing 2

Patient Care

- (1) Intro to Medicine, (1) Anatomy/Physiology, (1) Sports Medicine 1, (2) Patient Care

Agriscience

- (1) Ag Bio
- (2) Ag Chem

Animal Science

- Animal Science
- Vet Science

Design, Visual \& Media Arts

- Video Production
- Video Production

Welding and Materials Joining

- Welding
- Advanced Welding

Systems Diagnostics Services \& Repair

- Small Engine Repair
- Auto Tech
- Advanced Auto

Public Safety

- Cadet Corps
- Advanced Cadet Corps

Mental and Behavioral Health

- Hope Squad

Students in CTE classes participate in hands on technical training to help prepare them for a career in that specific trade.
Measurable outcomes are identified through the use of industry specific exams which given the student the opportunity to attain Industry recognized certificates of competency when students successfully pass the exam.

## B. Pupil Outcomes

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2022-23 Opportunities for Parental Involvement

There are multiple opportunities for parental involvement. At the beginning of the school year parents are invited to "Back to School Night" which provides an opportunity for parents to become familiar with their child's school and teacher. During registration, parents are required to enroll in our Parent Portal, which provides parents the opportunity to check on their students grades and immediately contact teachers through email. Parent conferences are held each year at the end of the first quarter. Parents are welcome to visit classrooms with advanced arrangements. Committees such as School Site Council, English Learners Advisory Committee, Athletic volunteers, Band Boosters, and AVID nights are additional avenues for parental involvement. The school includes parents in fundraisers, assemblies, dances, performances, and sporting events.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## 2022-23 School Safety Plan

Rosamond High Early College Campus Comprehensive School Site Safety Plan was last revised in November 2022, by school administrators and staff representatives. All staff members and parents have access to the plan and annually review the school site safety policies. Southern Kern Unified School District has established Standards of Excellence. Among these standards are: "The Southern Kern Unified School District will maintain safe, secure, and efficient campuses that promote positive attitudes, high morale, and an enriched learning/working environment" and "Facility and grounds cleanliness will meet district standards." Rosamond High School meets these standards.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and earthquake drills are held once a month while earthquake drills are held once a quarter. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available.

Students are supervised throughout the day by campus security officers and administrators. There is a designated area for student drop-off and pick-up. Visitors register at the office and receive identification badges from the Raptor System that must be displayed at all times.

## 2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). ## Professional Development

The Southern Kern Unified School District believe that staff development is an important component in maintaining a positive, enriching learning environment for students. The focus of staff development has been developed at the school site based on the school's annual plan for Student Achievement. Staff members are encouraged to participate in workshops and/or conferences that provide them with the latest information and trends in their particular teaching areas. The district has taken an active interest in facilitating professional development at all levels as demonstrated by implementation of 2 paid Professional Development days, prior to the start of the school year, in which the district sponsors all day workshops for all grade levels.
After school and weekend Professional Development opportunities are also provided throughout the school year. Teachers are supported with coaches, department chairs and principal led mentoring as needed. All new teachers with preliminary credentials participate in BTSA. New PIP, STP, and Intern teachers are provided with coaching from a Mentor Teacher. PLC meetings are held monthly in which each department reviews pertinent data and discusses areas of student achievement.
Teachers are encouraged to attend conferences within their discipline.
This table displays the number of school days dedicated to staff development and continuous improvement.
