2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

2022 School Profile

The Southern Kern Unified School District is comprised of two elementary schools, a middle school, a high school, independent study, and a continuation high school

Tropico Middle School will provide a school setting in which pupils attend regularly in a safe, orderly, and secure environment conducive to learning. Tropico Middle School will:

- Work collaboratively and cooperatively with parents, pupils, staff, administration, and community to provide a safe and orderly school.
- Develop an academic program that will focus on high expectations of pupil performance and behavior.
- Solicit participation from staff, parents, administration, and community to enhance the learning and physical environment of the school.
- Recognize that the backgrounds and needs of all students will be acknowledged, respected, and incorporated into school curriculum.
- Reflect an environment that nurtures integrity, respect, and responsibility, allowing students to be educated to their full potential.

Tropico Middle School Core Values:

- Grit: Strength of Character
- Empathy: Spreading kindness like confetti
- Adaptable: Being flexible as things change
- Respect: Make choices that lead to success
- Engaged: Having a positive, focused attitude
- Determined: Staying committed and consistent - never giving up

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Southern Kern Unified School District held a public hearing on September 21, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by teacher teams and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school as of September 2022.

School Facility Conditions and Planned Improvements

Tropico Middle School is comprised of 44 classrooms, a multipurpose room, library, staff lounge, and a gym and a cafeteria/multipurpose room. The facility strongly supports teaching and learning through its ample classroom space and school grounds.

Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. Numerous adjustments have been made to satisfy COVID cleaning standards. The District has purchased an adequate amount of PPE for staff and students (should students return). The District has also purchased COVID required equipment

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication, 100% of the restrooms were fully functional.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

There are many opportunities for parental involvement at Tropic.

- At the beginning of the school year parents are invited to “Back to School Night” which provides an opportunity for parents to become familiar with their child’s school and teachers.
- Parent conferences are held each year at the end of the first quarter.
- Title 1 Parent Night is held to explain how TMS spend Title I Funding.
- Parents are typically welcome to visit classrooms with advanced arrangements, however, due to the COVID pandemic this practice has been temporarily suspended.
- The School Site Council is an additional avenue for parental involvement and meets monthly.
- The English Language Advisory Committee meets monthly. Parents are encouraged to attend.
- The Tropic staff encourages parents to volunteer and attend many different activities throughout the school year.
- The Parent Portal is available for parents to monitor grades and attendance on a regular basis.
- The Student Success Team process involves parents in assisting students when they are struggling with academics and/or behavior.
- The following events take place throughout the year and will depend on the current conditions of the COVID pandemic:
 - Spring parent orientation meeting for parents of incoming 6th grade students
 - Two Band/Choir concerts a year
 - New Student Orientation in early August
 - Camp KEEP Parent Night
 - Awards ceremonies such as Student of the Month, Honor Roll, Academic Awards Ceremony and Athletic Awards Ceremony

Parents are encouraged to participate and if interested in becoming involved in any of the listed activities can contact the school office at 661-256-5040 or the school site Principal, eshevlin@skusd.k12.ca.us.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	10.94	5.65	2.45
Expulsions	1.18	0.29	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Tropico Middle School's Comprehensive School Safety Plan continues to be updated annually and has been reviewed and approved by the School Site Council. This plan includes Positive Behavior Intervention and Support system, updated lock-down procedure, updated student accounting procedures, updated emergency duty assignments, and an updated COVID 19 plan. The purpose of the plan is to ensure the protection of students and staff, the school and school property, and to establish a climate that is conducive to learning. All staff members and parents have access to the updated plan and staff members annually review the school site safety policies.

Southern Kern Unified School District has established Standards of Excellence. Among these standards are: "The Southern Kern Unified School District will maintain safe, secure, and efficient campuses that promote positive attitudes, high morale, and an enriched learning/working environment" and "Facility and grounds cleanliness will meet district standards." Tropico Middle School met these standards.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, lock down and shelter in place drills are held once a month. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available in each room. The school is inspected regularly to ensure safety standards are met.

Students are supervised throughout the day by 8 Campus Safety Officers, three administrators, and 42 teachers, as well as all other classified staff members at TMS. There is a designated area for student drop-off and pick-up. Visitors register at the office and receive identification badges that must be displayed at all times through our Raptor system.

Professional Development

The Southern Kern Unified School District believes that staff development is an important component in maintaining a positive, enriching learning environment for students. Southern Kern Unified School District has provided professional development for teacher during the five days leading up to the start of the school year. In addition the District has required each site to block out time for Professional Learning Communities each month. Last school year (2021-22) marked the highest number of PLCs to date. Regular opportunities for professional development occur throughout the year in various forms described below. Prior to the start of the 2022-23 school year a group from Tropicco attended an AVID Summer Institute for three days. Our teachers were able to attend a Key Note presented by Dr. Doug Fisher on August 8th that focused on Teacher Clarity. The schools leadership team continues this work by meeting once a month with Dr. Doug Fisher to discuss the work being done for Teacher Clarity at Tropicco Middle School and next steps. Also, this school year we as a district have joined with Kern County Superintendent of Schools (KCSOS) to participate in Continuous Improvement Process (CIP) as well as departmentalized professional development opportunities.

The focus of staff development specific to Tropicco have been developed at the school site based on the school's annual plan for Student Achievement. Staff members are encouraged to participate in out of district workshops and/or conferences that provide them with the latest information and trends in their particular teaching areas.

Specific programs in which TMS staff are being trained include Teacher Clarity, Renaissance Learning, Read 180, System 44, Capturing Kids Hearts, Positive Prevention, Positive Behavior Intervention and Support, MTSS, Inclusion, Response To Intervention. These programs are being used to address deficiencies in reading and math, improving school/classroom environment, and providing a mainstreamed environment for Special Education students.

Student achievement data is used to determine qualifying students for the academic interventions. Student discipline data is used to drive the interventions, supports, and professional development. SKUSD partners frequently with Dr. Becky Wetzel from Bridges to Educational Excellence to train site teams in MTSS. Teachers are receiving in-class support from program/curriculum from KCSOS Staff Developers. New Special Education teachers receive IEP and CPI trainings. Summer training, staff meetings, conferences, and mentoring are all used to deliver staff development. Distance Learning professional development has been provided as well to address the growing concern for poor student performance and attendance.
