Now that SKUSD has integrated with Frontline Education's Foundation Platform our employees can now take advantage of Frontline's app which is available for <u>free</u> in both Google Play and the App Store.

After you have installed the app and opened it, you will be prompted to enter a 4 digit code. The code for SKUSD is **7354**.

Welcome to the new Frontline Education Mobile App for Employees!

Once your district updates to the Frontline Insights Platform, your District System administrator will provide you with a 4-digit code. Please enter the code here:

If you do not have an invitation code, the application is not yet available for your district. Once your district receives the mobile app, you'll receive an invite from your system administrator to download the app. If you have questions, contact:

mobilehelo@frontlineed.com

The screen will change to say Accepted! Press **Continue** to move on to the login screen.

All you need to do is put in your updated username and new password. Then press **Sign In** and voila you now have access to log your absence through the app.

If you are still logging in with a phone number and PIN, you will need to log in on a computer to update your username and password. Without doing this you will not be able to log in to the app.
