Sponsor Advertising Contract

The Rosamond High School Athletic programs are continually working hard to improve the quality of our programs while encouraging long lasting positive character traits within our athletes. In order to accomplish this goal, it takes proper funding and community support. We are confident that this sponsor program will help to improve the quality of Rosamond High School Athletics and provide advertisement and proof of community support for your business. The contract written below assures you of having a sign displayed during our home contests at Rosamond High School. These prices include the production of the advertising signs, however, you may provide your own signs if you choose. We will attempt to use the style of advertising you wish, as long as the cost of producing the sign is contained in the purchase price as listed below. Please provide a copy of your ad or information that you wish to be placed on the sign to the selling person. A receipt for payment will be mailed to you at the address you provide below.
