Use of facility applications will be assessed a processing fee to direct cost groups and fair rental value groups at \$5 and \$10, respectively

Set-up fees will be assessed to rearrange tables and chairs from their normal district set up. No fee will be assessed if the group will take the room as it is and return it to its former state when the group leaves.

No clean up fee will be assessed if the group using the facility returns it to its previous state prior to leaving. However, if clean up is required following the use of the facility, clean up fees will be assessed.

Damage fees will be assessed to cover the actual cost to make repair or replace damaged items, plus paperwork processing fee
