Network Electronics

Question and Answers

Q: Could you let me know if there's any requirement of the vendor to be a Ruckus or HP/Aruba partner?

A: There is no requirement for the vendor to be a Ruckus or HP/Aruba partner.

Q: On the 470 it shows a quantity of 398 APs but the RFP is requesting the 80 R610s and 3 T310s . which quantity should the bidders use?

A: Please use the numbers in the RFP: 80 R610s and 3 T310s.

Q: On the quote number above do you except partial quotes? We were wanting to quote with the HP/Aruba gear if that is something that you allow.

A: Yes, we allow partial quotes.
